Denis Boisvert

Denis Boisvert has been singing and playing music since he was a kid, and it's been a lifelong dream to share his vocals with you!

Denis is inspired by everything including his family, friends, and favourite songs. His style can range from quiet, soulful ballads to loud and upbeat pop songs that make you want to get up and dance around. He loves to experiment with different sounds and genres, so you never know what you're going to get when you listen to his music.
